1. INTRODUCTION

The purpose of this circular is to provide you with the notice of the AGM and information on certain matters to be dealt with at the AGM which will be held on Friday, 5 June 2009 at 11:00 a.m.. 3. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

The existing general mandates granted to the Directors to issue and repurchase Shares will expire at the conclusion of the AGM. To renew these general mandates, ordinary resolutions are proposed at the AGM that: (i) the Board be granted a general mandate to allot and issue new Shares up to an amount of not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue and fully paid-up at the date of passing of such resolution; (ii) the Board be granted a general mandate to exercise all the powers of the Company to repurchase Shares up to a maximum of 10% of the aggregate nominal amount of the share capital of the Company in issue and fully paid-up at the date of passing of such resolution; and (iii) the allotment mandate be extended by adding the nominal amount of all the Shares repurchased by the Company pursuant to the repurchase mandate to the aggregate nominal amount of the share capital of the Company to be allotted and issued pursuant to the allotment mandate.

The Directors wish to state that, as at the date hereof, they have no immediate plans to issue any new Share or to repurchase any existing Share.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,573,671,409 Shares. On the basis that no further Share is issued or repurchased prior to the AGM, the maximum number of Shares under the general mandate to allot and issue new Shares of not exceeding 20% of the Shares in issue as at the date of the AGM, if approved, shall be 314,734,281 Shares.

An explanatory statement as required under the Listing Rules to provide the requisite information concerning the repurchase mandate is set out in the Appendix II to this circular.

4. AGM

A notice convening the AGM to be held on Friday, 5 June 2009 at 11:00 a.m. at 31st Floor, CNT Tower, 338 Hennessy Road, Wanchai, Hong Kong is appended to this circular.

5. RECOMMENDATION

The Directors consider that the re-election of Directors and the granting of general mandates to issue and repurchase Shares are in the interests of the Company and the Shareholders as a whole, and accordingly recommend the Shareholders to vote in favour of each of the resolutions in respect of the above proposals on terms set out in the notice of the AGM.

Mr. Ko is the managing director of Chuang's Consortium International Limited (a company listed on the Stock Exchange) and a director of Profit Stability Investments Limited, being the substantial shareholders of the Company. He was the chairman of Chuang's China Investments Limited and Midas International Holdings Limited, both listed on the Stock Exchange. The Company's another non-executive Director Mr. Hung Ting Ho, Richard is the chairman of Midas International Holdings Limited, which is an associated company of Chuang's Consortium International Limited. The remuneration of the executive Directors are determined by the remuneration committee and the remuneration of the non-executive Directors are determined by the Board on the recommendation of the remuneration committee, by reference to their duties and responsibilities, performance, experiences, time commitment and the market conditions.

As a result of dealings in the Shares by the trustee of a discretionary trust in which Mr. Tsui Yam Tong, Terry is a discretionary beneficiary during the dealing prohibition period, the Stock Exchange publicly censured Mr. Tsui in December 1999 for breaches of the Listing Rules. The Stock Exchange considered that he had an obligation to inform the trustee not to deal when necessary.

Mr. Lam Ting Ball, Paul was a director of Whole Rich Investment Limited, a company incorporated in Hong Kong and engaged in restaurant operation, which had been put into compulsory winding up on 22 February 1995 and was dissolved on 23 July 1999.

Save as disclosed above, there is no other information required to be disclosed pursuant to any of the requirements of Rule 13.51(2) of the Listing Rules and there is no other matter that needs to be brought to the attention of the Shareholders.

This Appendix serves as an explanatory statement required by the Listing Rules to provide the Shareholders with the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the repurchase mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,573,671,409 Shares.

Subject to the passing of the relevant resolution and on the basis that no further Share is issued or repurchased prior to the AGM, the Company would be allowed under the repurchase mandate to repurchase a maximum of 157,367,140 Shares representing 10% of the Shares in issue as at the date of the AGM. The Shares proposed to be repurchased by the Company must be fully-paid up.

The repurchase mandate may continue in force until the earliest of: (i) the conclusion of the next annual general meeting of the Company for the year of 2010; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law to be held; and (iii) the revocation or variation of the repurchase mandate by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that the repurchase mandate is in the interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association and bye-laws of the Company and the laws of Bermuda. It is presently proposed that any repurchase under the repurchase mandate would be repurchased out of the capital paid up on the repurchased Shares, the profits of the Company which would otherwise be available for dividend, the Company's share premium account and/or contributed surplus account in each case to the extent as permitted by the laws of Bermuda.

There might be material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited consolidated accounts contained in the Company's most recently published annual report for the year ended 31 December 2008 in the event that the repurchase mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the repurchase mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months before the printing of this circular were as follows:

	Share price	
	Highest HK\$	Lowest HK\$
2008		
April	0.238	0.200
May	0.235	0.195
June	0.220	0.173
July	0.180	0.153
August	0.180	0.140
September	0.160	0.100
October	0.120	0.068
November	0.100	0.083
December	0.110	0.092
2009		
January	0.110	0.105
February	0.120	0.090
March	0.120	0.096
April (up to the Latest Practicable Date)	0.125	0.105

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases in accordance with the Listing Rules and the applicable laws of Bermuda so far as the same may be applicable and in accordance with the regulations set out in the memorandum of association and bye-laws of the Company.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates (as defined in the Listing Rules) have any present intention to sell Shares to the Company under the repurchase mandate if such is approved by the Shareholders.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company, nor has undertaken not to do so, in the event that the repurchase mandate is approved by the Shareholders.

6. TAKEOVER CODE

If on exercise of the powers to repurchase Shares pursuant to the repurchase mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeover Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeover Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, RGL is the largest shareholder of the Company beneficially interested in 346,231,521 Shares, representing approximately 22.00% of the issued share capital of the Company. In the event that the repurchase mandate is exercised in full and no further share is issued during the proposed repurchase period, the beneficial interest of RGL in the issued share capital of the Company will increase to approximately 24.44%. Accordingly, the Directors are not aware of any consequences which would arise under the Takeover Code as a result of any repurchase of Shares pursuant to the repurchase mandate.

7. SHARE REPURCHASES MADE BY THE COMPANY

The Company has not repurchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months prior to the printing of this circular.
